Re: Freedom of Information Law Request for Amazon – F-07708

Mr. Knox:

This letter acknowledges receipt of your Freedom of Information Law request received on February 7, 2019, requesting records maintained by the Department as referenced above.

Since the request will require a search for records by a number of units within the Department and a detailed review of all the records, if any, located by these units, we anticipate that we will be able to respond on or before March 7, 2019. Also, please be advised that no decision has been made at this time whether to grant or deny the request.

Please be advised that there is a photocopying fee of 25 cents per page. If this request involves the preparation of electronic records and such preparation will take more than two hours, you will be charged an amount based on the hourly salary of the lowest paid employee able to complete the job. Preparation includes entering queries, etc. in order to extract data, but does not include search time or administrative costs. We will advise you of the amount to be remitted in our response letter.

If you have any questions, please feel free to contact the FOIL Unit at the telephone number listed below.

Sincerely,
